

Skills and Spills

For children in Preschool, Super Tots, Mini Gymies and Baby Angles classes.

Skills and Spills is an exhibition that Hill's Gymnastics offers at the end of each Spring session. We invite family and friends into the gym to have their gymnasts show many of the skills that they have worked on throughout the year. After warming up together, the gymnasts will be placed into groups in which they will rotate to each event. We ask all observers to follow their gymnast as they move through the gym, taking pictures and cheering them on as they go. At the end of the hour, each gymnast climbs the award's stand and receives their trophy!

Space is limited, so early registration is recommended. Register for the time of your choice by filling out and handing in this form along with payment to ensure your spot.

Date - Friday, June 18th

Time - 1:30pm

Date - Saturday, June 19th
